SUBJECT: DEMARCHE DELIVERED TO CROATIA ON UNSCR 1540

-PROGRAM OF WORK

REF: SECSTATE 10774

(SBU) Poloff delivered reftel demarche on February 11, to Andrej Dogan, head of the MFA's Department for International Security regarding the US position on the Program of Work (POW) for the 1540 Committee. He indicated that the Croatian Foreign Ministry would review our position and forward the supporting material provided--our paper on UNSCR 1540, the non-paper, and edits to the draft POW--to their mission in New York. Post will report any substantive response in a septel. Dogan acknowledged his understanding that we may seek another extension if our edits to the draft POW do not get worked into the final version by February 20 deadline. Dogan also indicated that he understood the spirit of the changes the US was seeking in the final POW.
